

HWWI Commodity Price Index

The HWWI commodity price index is available on a subscription basis. The daily index is updated once a week on Monday (or the first working day), the monthly average at the beginning of a month. All index figures can be downloaded from the HWWI website (access with password) for further use in spreadsheets.

The subscription rates you can find below.

All original index figures are provided for the use of the subscriber only. Data must not be passed on to third parties.
